

The Oxbow Eco-Center
is proud to introduce a new program for
families called

JR. OXBOW EXPLORERS

A 4 part series that takes families on fun adventures around the Oxbow forest to learn about history, animals and how to become an environmental hero.

For kids ages 5 & up this program has it all— fun, hands-on activities, learning, and the best of all, time spent with their family.

JR. OXBOW EXPLORERS

Pirates of the Treasure Coast

August 10th at 10:30 am

Arrrr you ready to travel back in time to the “hey day” of the pirate? Using pirate tools, children will enjoy fun activities as they quest for Golly the Longbeard’s secret treasure. Be sure to dress in your favorite pirate attire.

The Inside Scoop on Bones

October 12th at 10:30am

Young “Biologists” will get to explore the world of the skeleton from Humans to Birds and all the interesting bones in between. During this program participants will get a chance to handle and examine different types of bone as we discover their unique adaptations.

Outstanding Owls

January 11th at 10:30am

Swoop and soar silently through the night just like an owl. Participants will get the opportunity to do fun hands-on activities that demonstrate all of the amazing adaptations owls have that make them one of the stealthiest hunters in the dark.

Froggy Frenzy

March 8th at 10:30am

What has a long tongue, can breathe through its skin, and is covered in mucous? That’s right an amphibian. Participants will hop into the world of frogs and toads as we’ll play various games like “frog chorus”, “guess that frog part” and “frog and toad races.”

The Jr. Oxbow Explorers program is designed for children ages 5 & up and accompanied by an adult. The cost is \$3 per child. Please dress appropriately for the outdoors. RSVP is a must!
